

## Hi Lit & Sci Serving Officers 2020

### **Kathy Dallas, President**

Kathy grew up in Surrey, and has been a member of HLSI for all her 22 years in Highgate. With a background in Fine Art, and wanting to exhibit, her first encounter with HLSI was with Highgate Gallery. Later she sat on the gallery committee, and then chaired it. She has served on the Management Committee, and more recently she has enjoyed being involved in organising the Highgate Debates.

Kathy has practiced and taught interior design, worked as an arts administrator, and founded a local Twins Club. She is a choral singer, gardener, occasional runner, reader - and proud mother of twin boys, now young men.

### **Patricia Hodgson, Honorary Secretary**

Patricia Hodgson was a BBC producer and subsequently served on the main Board as Director of Policy and Planning. She was Chief Executive of the Independent Television Commission, Principal of Newnham College, Cambridge, and most recently Chair of Ofcom. She is currently a Board Member of the Centre for Data Ethics and AI. She and her family have lived in Highgate for many years.

### **Bill English, Treasurer**

Born in New-York, Bill spent his childhood in Venezuela and in Iran before eventually moving to Paris, where he went to university and read Business Administration and Russian. He went to work for a telecommunications systems corporation, in which he held different operational positions, mainly in the UK and eventually at Head Office, and later joined the board of management of one of the world's largest manufacturers of energy and communications cables. In parallel to his career he was a pension fund trustee for over thirty years and also held directorships in various external companies. Bill has lived in Highgate for the last twenty-two years.
