

## **HLSI COVID-19 UPDATE 16 / 07 / 21**

Although official restrictions are largely being lifted from 19.7.21, we will continue to ask that masks are worn in the building for the comfort and confidence of everyone using HLSI. Please maintain distance from others out of respect for their health. Hand sanitiser is available at the entrance and you are asked to use this before entering. Thank you for adhering to these requests.

### **EDUCATION**

We will shortly announce our programme for the coming year 2021-22. Although legally binding Covid related restrictions may be lifted, the government is urging caution, and we believe that many people still feel uneasy about attending classes in fully occupied classrooms. We are therefore planning for limited classroom occupancy for the time being. In the first instance, you will be invited to enrol for the Autumn Term only. Until booking opens you are welcome to browse the programme on the website.

### **LIBRARY**

Library visits no longer need to be booked in advance, but access to the library is limited so you may find you are asked to wait for a short time in the Members Room or outside the building

Library opening times:	Until 07 August
Tuesday – Friday:	10.30am-1pm AND 2pm-4.30pm
Every Saturday:	10.30am-3.30pm

### **HIGHGATE GALLERY**

Highgate Gallery exhibitions continue with a full programme. Visitor numbers are limited on entry and everyone is required to wear a mask.

### **HLSI EVENTS**

It is likely that we will continue to require online booking for most events in the Autumn and you will find further information on the website.

### **OFFICE**

The office is now open for general enquiries in person and office staff may be contacted by email or phone: [admin@hlsi.net](mailto:admin@hlsi.net) or 020 8340 3343.
